

ATTENTION VENDORS!!!

To provide the best experience for all vendors and Meet attendees, we are enforcing the following.

Due to many empty spaces or spaces being used solely for parking or camping, and no-shows, we are enforcing that all vending spaces be occupied or active for the duration of the Meet.

The name on the registration must match the person physically in the space.

The vendor may not sell, sublet, transfer, or loan the space(s) to anyone else.

If unable to attend the 2023 Meet, please contact Chief Blackhawk Chapter. We are willing to work with you as breakdowns and emergencies do occur.

Failure to cooperate will result in your space(s) not being renewed for 2024.

Thank you for your cooperation and for making our Meet even better!

Any questions, please email Chief Blackhawk at admin@chiefblackhawk.org or info@chiefblackhawk.org.
